Delegates

WHAT IS A NQ DELEGATE?

A Nos Quedamos (NQ) Delegate serves as a representative of the organization, embodying its mission and values in meetings, events, and community spaces. Delegates act as an extension of We Stay/Nos Quedamos, ensuring that the organization's collective voice is present and engaged in broader conversations that impact the community. This role involves not only attending meetings but also actively supporting NQ initiatives, assisting with events, and engaging with residents to ensure their concerns and needs are amplified.

Delegates also help bridge the gap between the organization and the larger Bronx community, advocating for housing justice and environmental resilience. Whether representing NQ in citywide spaces, helping coordinate community events, or strengthening relationships with residents, delegates are committed to upholding the legacy of Nos Quedamos and advancing the well-being of the Bronx as a whole.
